

Be A P@L!!

What's P@L?

Partners at Libraries is a way of helping and being helped in our school libraries. Librarians or LIMAs can be “partnered” with another librarian or LIMA in the district who has a situation similar to theirs. A K - 8 school librarian, a high school librarian or a middle school librarian could be your **P@L**. A **P@L** is a kind of buddy system. Someone to call, email, or visit... to stay in touch with. Someone to ask for help when you need it...and to offer it back. A friend to talk to...to bounce your ideas off of...and offer input and suggestions to make things work more successfully in the library. Many of us have so many wonderful ideas and information to share. Let's start sharing and caring. Let's show that we can network ourselves! Let's make us a stronger network that the school district will take notice of!

Become a **P@L** today!!! We'll all be better for it and make our libraries the best they can be.
